BIBLE STUDY		Bro. Ron Wright	
Mk 13:10	INTRO	Hate and evil are all around us	
<ul style="list-style-type: none"> How much longer will God tolerate it all? 		<ul style="list-style-type: none"> The rich won't help the poor 	
<ul style="list-style-type: none"> On TV, we hear ugly language; 		<ul style="list-style-type: none"> They won't even mention God, even during the eclipse 	
LESSON	Jesus Christ was talking with the disciples and they wanted to know when the end would come and what the signs would be...		
<ul style="list-style-type: none"> The KJV mentions that the word must first be published among all nations 			
Webster's def: published		To proclaim	To preach
Mk 13:6-7	Talks about the 'many coming in My name and deceiving many' .		
<ul style="list-style-type: none"> "There will be wars and rumors of wars." "The GOSPEL must be published among all nations." So, everyone MUST HEAR THE GOSPEL before the end comes 			
Webster's def: published		To CRY OUT!	
<ul style="list-style-type: none"> We as Christian must "CRY OUT" to proclaim the GOSPEL 			
<ul style="list-style-type: none"> THE GOSPEL IS THE DBR OF JESUS CHRIST 		1 Cor 15:3-4	
<ul style="list-style-type: none"> THAT'S THE GOOD NEWS 			
* They beat and battered our Dear Lord			
* They nailed Him to the cross for 6 long hours			
* He died on Calvary's cross for our sins			
* He died so we would have the opportunity to make Heaven our home!			
<ul style="list-style-type: none"> HAD THERE BEEN NO DEATH, THERE'D BE NO NEW TESTAMENT HAD THERE BEEN NO BURIAL, THERE'D BE NO REDEMPTION HAD THERE BEEN NO RESURRECTION, THERE'D BE NO COC 			
Mk 16:15	Tells us to preach the gospel to all men		
Gal 1:5	Says, "To Whom be the glory forever. Amen"		
CONCLUSION	When we share the gospel, we also glorify God!		

Sis. Jessie Brown	This lesson was beautiful and to the point
	You are right, no one mentioned God during the eclipse
Bro. Ray Brown	The eclipse shows God's power of order where things are still obeying His natural order over the world
Bro. Ron Wright	People are still trying to account for the time where God stopped the sun for 23 hours...in the USA, people are looking for everything except God and His glory: not in school, the government, nor TV. We know there's nothing new under the sun!
